

Designed specifically for
under cabinet and
other linear interior
lighting applications

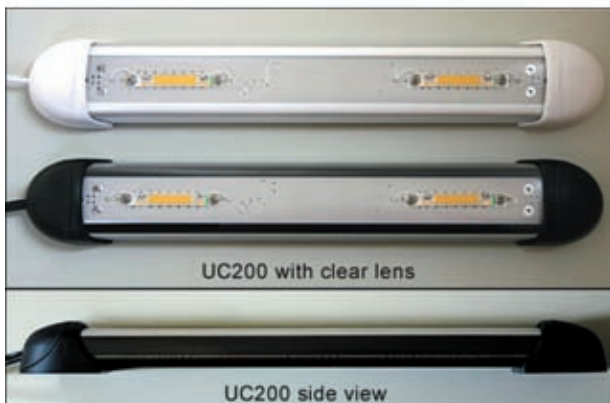

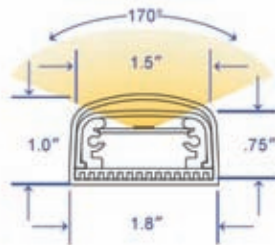

Dimmable

12 - 24 Volts DC or AC

**Available in
custom lengths**

**Conforms to
UL8750 and C22.2
safety standards**

61 Month Warranty

Description

The LED Company's UC200 is a low profile, dimmable product well suited for interior linear lighting applications.

The UC200 is available in 12" increments starting at 12 3/8" in length. (Fixture adds 3/8" to total length)

Example: 12 3/8" • 24 3/8" • 36 3/8" • 48 3/8" • etc.

The UC200 is made in standard lengths from 1ft to 4 ft., and by custom order to 8 ft.

Engineered specifically for interior lighting applications where bright light is necessary such as under cabinets, displays, task lighting and cove lighting.

Constructed of extruded aluminum body with a polycarbonate lens. Profile dimensions are 1.8" wide x 1.0" high.

Standard wiring, 18-2 SPT-1 low voltage cable.

Option for Marine, RV: 18-2 cable tinned copper, shielded, resistant to UV.

Power Supply: UL Approved class 2 dimmable power supplies in 18, 40, 60 and 240 watt outputs.

UC 200 UNDER CABINET/ LINEAR

Applications

Specifications

Input Voltage	12 - 24Volts AC or DC
Current Draw	3.5 watts per ft.
Light Output	5,000K = Greater than 300 lumens per ft. 3,500K = Greater than 240 lumens per ft. 2,900K = Greater than 200 lumens per ft.
LED Color Options	2,900K 3,500K 5,000K
Dimmable	Yes
LED Useful Rated Life	Greater than 50,000 hours.
Extrusion Body	Aluminum
Lens	Clear Polycarbonate
Length of Fixtures	1 ft. to 4 ft. (to 8 ft by special order)
Fixture Body Color Options	White Black (Other colors available by special order)
